Part 1.	Department of the Army Items	4
Part 2.	Department of the Navy Items	4
Part 3.	Department of the Air Force Items	4
APPENDIX	LIST OF EQUIPMENT FURNISHED BY HOST GOVERNMENT	6

Section I. GENERAL

1. Authorization. This table is in accordance with AR 1-75/OPNAVINST 4900.31F/AFR 400-45 and AR 310 series. Together with documents listed in paragraph 3, it is the authority for the designated State Department officials to requisition and issue, in accordance with pertinent State Department or Department of the Army directives, all items of equipment listed herein unless otherwise indicated.

2. Application.

a. Items of equipment listed herein are authorized for the operation of Silk Purse Control Group. The mission of this unit is to administer U.S. military assistance to Silk Purse Control Group including the international sale and logistics program and residual aspects of the grant aid military assistance program to foster host country military competence and further U.S. policies and interests.

b. Procurement, issue, substitution, and retention of items of equipment authorized herein will be accomplished in accordance with AR 1-75/OPNAVINST 4900.31F/AFR 400-45 and the provisions of Joint State/Defense Airgram CA 727, subject: Transfer of USMILGP Administrative and Support Functions to the Embassy.

c. Allowances listed in section II herein are not duplicated by authorizations listed paragraph 3.

d. Trophies and articles of historical nature are not listed in this table but may be retained until unserviceable.

e. When an LCC-A preferred item is authorized in the JTA and a suitable substitute is onhand, such items normally will be retained until not economically repairable.

f. Items of equipment authorized herein, except commercial nontype classified items, are the latest adopted type articles. Priorities of issue of substitute items pending availability of later models, or in lieu thereof until exhausted, are established and authorized by current supply directives.

g. The listing of an item or set, kit, or outfit in this table provides authority for acquisition of applicable repair parts, accessories, special tools, and components thereof which are shown in applicable manuals, listings and bulletins, commensurate with the assigned responsibilities for maintenance and the density of the authorized items.

h. Issues made by a military department against authorizations and allowances contained in this JTA will be chargeable to the appropriate military functions appropriations.

i. Issues made by Department of State against authorizations and allowances contained in this JTA will be chargeable to the Silk Purse Control Group operating funds.

j. Items contained in this JTA are authorized only to the extent that these same, or comparable, items are not furnished by the Department of State or the host government.

k. Unless otherwise restricted by orders or regulations, the allowances listed herein may be decreased or deleted at the request and discretion of

*This table supersedes JTA 75-35, dated 15 September 1981, including all changes.

the commander. The use of authorizations established herein is a command function; the commander is not required to request to the full extent of authorization allowances. The retention of au-

thorized items and the enforcement of supply economy also are command functions to be exercised by the commander of Silk Purse Control Group authorized equipment by this table.
